Title: 212° The Extra Degree
Summary: 212° the extra degree captures the essence of excellence in an unforgettable way... At 211° water is hot. At 212°, it boils. And with boiling water, comes steam. And with steam, you can power a train. The one extra degree makes the difference. In the original 212° the extra degree softcover, the simple 212° concept is illustrated through a clear introduction and then supported by a series of thoughts, examples, and facts that will help you absorb the 212° mindset. Its purpose is to inspire the extra level of effort that produces exponential results. Let 212° become a part of everyone's vocabulary.
